Skirta will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only seminent physicians in France and England, as well as in my own practice, over ten years, and I have yet to hear of the first instance of failure. I could give you testimonials of their efficacy from indies all over the Northern and Western States, were they not in their nature private. Over 100,000 bottles have been sold the past year, and I hope and trust as many sufferers have been benefitted. I am well aware that a remedy so potent to remove all obstructions, may be used for a bad purpose, but trust that where one bottle is thus used, ten may full into the hands of really needy sufferers.

To all who suffer from any irregularity;

Skirta will have been thrown aside as useless. The Hopen and the bottom rods are not only double springs, but twice (or double) covered: preventing them from wearing out when dragging down stoops, stairs, &c.

The wonderful fazibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt, will be experienced particularly in all crowded Assemblies, Operas, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy as a small space as easily and conveniently as a stilk or muslin dress, an invaluable quality in criso ine, not found in any Single Spring Skirt.
